Dear Mary Lynn,

I am pleased to inform you that the **Society for Human Resource Management - Atlanta** has been chosen to receive an Award of Excellence for your entry **Mayor's Youth Program** in ASAE & The Center for Association Leadership's 2008 Associations Advance America Awards.

Each year ASAE & The Center for Association Leadership recognize the very best programs and initiatives that help illustrate the important public benefits derived from association activities. Yours was one of only 9 programs to achieve the Award of Excellence in this round. This honor also automatically puts your entry in the running for the 2008 Summit Award, ASAE & The Center's highest level of recognition for associations. The Summit Awards will be chosen in July 2008.

Your program truly embodies the spirit of the Associations Advance America campaign. Please accept the enclosed certificate as ASAE & The Center's recognition of your outstanding contributions to society.

Enclosed is a kit designed to help you capitalize on this national recognition and draw attention to your association's winning program, as well as showcase how Associations Advance America. ASAE will be contacting your members of Congress and state governor's office to alert them of your award. Many of our previous winners have received special commendation from these elected officials. If you have any questions about your award, please call Chris Vest, ASAE's Director of Public Policy, at (202) 626-2798.

Congratulations on your award and thank you for exemplifying how Associations Advance America.

Sincerely,
